CAMELLIA JAPONICAS

THE ARISTOCRATS OF THE SOUTHERN GARDENS.
Delightful Winter flowering evergreen that is becoming more popular every year. Ideal cut flower for florists.

It is with satisfaction that we can offer you this superb collection.

As most people understand that Camellia Names have not been standardized, it is practically impossible to know exactly that some of the names are correct, and for this reason we are still giving the best description of the blooms that we can write when plants are in bloom.

BOLEN'S No. 4

CLASS A-1 CAMELLIAS

MRS. ABBEY WILDER

Peony-type, white flowers with occasional stripes or spots of pink. (Can furnish all sizes listed up to 36-42 in.)

BRILLIANT

Very double, large bright red. Blooms early mid-season, one of the best Double-red Camellias, good compact grower. (Sizes 18-24 to 30-36 inch).

BOLEN'S No. 4

Deep shell pink, medium size blooms, some larger than pink perfection. Late mid-season. (Size 18-24 inch up to 36-42 inch).

GLOIRE
de NANTES
er
LEANA
SUPERBA

CHANDLERII ELEGANS

One of the finest and largest of the peony-type Camellias. Cherry-red, variegated with white and rose. (Can furnish all sizes up to 42-48 inch).

COUNTESS POLYANNA MAGII

Very large, double white, with an occasional pink spot, blooms from mid-season until late. (Can furnish all sizes up to 42-48 inch).

DUCHESS de ROHAN

Fluffy, peony-type pink, same shade of pink as the Mrs. Chas. Bell Rose. Blooms mid-season until late.

MADAM
STREKALOFF

ELLEN McKINSEY

Flowers double, fluffy, peony-type, pink striped and spotted with white, has a few stamens intermixed with petals, begins blooming very early and continues throughout the season.

GLOIRE de NANTES or LEANA SUPERBA

Very large, semi-double cerise, has long yellow stamens, center petals often twisted. Beautiful dark green foliage, that makes the plant unusually attractive as an evergreen, the blooms stand out above the foliage in a way that we have not seen in other varieties.

GUNNELLII

Very large, peony-type deep pink, sometimes has some white spots. Has good foliage and good compact grower. One of the best. (All sizes up to 30-36 inch).

MISS DORA
McCARTER

HERME

Large, loose peony-type, variegated white and pink. (Can only furnish this variety in size 8-12 in. and 12-18 in.).

VARIEGATED JOHN BENNETT

Semi-double, loose petals with center petals intermixed with stamens. Salmon-pink and white variegated. (All sizes up to 36-42 inch).

MADAM STREKALOFF

Beautiful large, double soft rose with very small stripes of crimson. Has about 60 outer petals and 24 to

NATCHEZ

30 smaller petals in center, the blooms are very attractive and fluffy. (Can furnish this variety in sizes 18-24 inch up).

MISS DORA McCARTER

Large, single white flowers with yellow stamens. This is the best single white Camellia we have seen, fine for cut flowers. We named this variety in honor of the one in whose garden it originated. (Can furnish all sizes up to 36-40 inch).

NATCHEZ

Large red, has large outer petals with smaller petals in center, has white spots on some of the blooms. (Size 24-30 inch to 36-42 inch).

PINK PERFECTION

Very double, medium size flowers of delicate shell pink, one of the first to begin blooming during the Camellia season. (Can furnish all sizes up to 36-42 inches).

PROFESSOR

C. S. SARGENT

PROFESSOR C. S. SARGENT

Beautiful, very double, peony-formed flowers, rich deep crimson, begins blooming early in the season, has about 20 outer petals and a tuft of 240 or more smaller petals in center.

BOLEN'S LATE TRI-COLOR

Semi-double flowers, usually pure white with red or pink stripes or spots, with occasionally a solid red or white bloom on same bush, blooms late. (All sizes up to 30-36 inch).

BOLEN'S LATE
TRI-COLOR

RED TRI-COLOR

Same as the above, only flowers are solid red. (All sizes up to 24-30 inch).

RED
TRI-COLOR

CLASS A CAMELLIAS

This class includes good varieties, some are as good as the Class A-1, but are more plentiful and can be sold cheaper.

AMERICANA

Double, soft pink with very small stripes of deeper pink. (Can furnish 18-24 inch, 24-30 inch and 30-36 inch only).

ANNA ZUCCHINI

Double white with occasional pink stripes or flakes, blooms from mid-season until late.

DUCHESS de ORLEANS

Very double white, good grower, free bloomer from early January into March.

DUKE de ORLEANS

Very large peony-formed flowers, creamy-white flaked and dotted with rose, one of the earliest to begin blooming and continues to bloom throughout the season. Has Azalea-like odor. (Can furnish sizes 12-18 inch up to 36-42 inch only).

HARLEQUIN

Full double peony-formed flowers, variegated white and pink. Form and size of flower resembling Prof. C. S. Sargent. (Can furnish size up to 18-24 inch).

JARVIS RED

Semi-double, dark red with yellow stamens, intermixed with petals, narrow, dark green foliage. (Can furnish size up to 18-24 inch).

LADY CAMPBELL

Deep rose to light red, very double. (Can furnish size 18-24 inch and up).

LOREIN

Double rose mottled with white, good grower and good bloomer, has nice, heavy foliage. (Can furnish size 36-42 inch and up).

MADONNA

Double, shell pink, sometimes has small rose-colored stripe. (Can furnish size 12-18 inch up to 36-42 inch only).

NOBLISSIMA

Full double peony-type white, petals intermixed with yellow stamens, begins blooming early in the season. (Can furnish all sizes up to 42-48 inch).

REIN de FLEURIS

Rich vermillion-red, flaked with white, very double. (Can furnish size 18-24 inch up to 42-48 inch).

REV. JOHN BENNETT

Double, salmon pink, large, loose petals with center petals intermixed with stamens, good compact grower. (Can furnish all sizes up to 30-36 inch).

SINGLE VARIEGATED

Medium size, single pink and white variegated, good compact grower, shows up well as a lawn specimen. (Can furnish 8-12 inch and 12-18 inch only).

TRI-COLOR SIEBOLDI

Semi-double flowers, some pure white, others pure red, but most of the flowers are white with pink or red stripes and spots. (Can furnish in size up to 30-36 inch).

WILDERI

Very double, deep rose-pink, good grower and free blooming. (Can furnish size 36-42 inch and 42-48 inch).

Terms cash or one-fourth cash and balance C. O. D. 3% discount and packing free when cash accompanies order. All prices F. O. B. Lucedale, Miss.

Attractive discount on car-load or truck-load orders. We invite you to visit our nurseries.

READ THIS FIRST

Our aim is to grow the best stock that can be grown, and after many years of experience with Camellia Growing, we now have the best values we have ever offered.

Our plants are grown on good soil, transplanted every year for the first few years, which gives them a good root system and they transplant easily to open ground or pots and tubs.
